Republic Of Yemen
Presidential Office
High Authority for Tender Control
(HATC)

Ref: ........................................
Date: ........................................
Res: ........................................

The High Authority for Tender Control (HATC) has issued a notification (to be published in the Official Gazette) and a notice for the tendering of works under the project of the Central Bank of Yemen. The deadline for submitting bids is 27 December 2013.

The notification details the technical and financial qualifications required for bidders, including a minimum capital of 20 million Yemeni rials and a minimum of 5 years of experience in similar projects. Bidders must submit their bids in triplicate and submit an irrevocable bank guarantee of 5% of the tender's value.

The notification also outlines the requirements for submitting the tender documents, including a detailed project description, technical specifications, and financial statements.

Bidders are required to submit their bids to the HATC office at the Central Bank of Yemen by 27 December 2013.

The HATC reserves the right to accept or reject any bids without giving reasons.
